DIVE TRIP INFORMATION

2-Tank Dives are scheduled both in the morning and the afternoon each day. Your first dive is always a beautiful wall. On average our walls begin at 40 ft., although some are deeper. Each dive site along the wall is different and unique in its own way. The wall is wonderful for both new divers and advanced divers. Our divemaster leads the dive to 80 ft. for 30 minutes, however we are flexible about this as you and your buddy may prefer to stay up on the shallower ledge while others may plan their dive a bit deeper.

Your second dive is either a shallow reef or wreck dive. There are a number of beautiful reefs, each with different coral formations and fish life. You may explore a 200 ft. freighter in 35-50 ft. of water; the famous James Bond wreck in 40 ft. of water; or you may dive on the Treasure Wreck used in the filming of Into the Blue, starring Jessica Alba. We decide on the specific site we will be diving on the actual dive day. This keeps us flexible, and allows us to observe the weather conditions so that we can select the best sites for that day and consider what everyone on the boat would prefer to do.

Diving All Day - If you are participating in our All Day program (which consists of both the AM & PM 2-tank dives) or are doing a 2-tank dive in the morning and a specialty dive in the afternoon, you will have 1 to 1 1/2 hours turn around time between boat trips. Lunch is available for purchase at our dockside café, Shark Bites. The menu consists of a choice of grilled hotdogs, hamburgers, veggie burgers, chicken breast or grouper sandwiches, and a bag of chips. Prices range from \$6-\$15 depending upon selection.

FAVORITE ADVENTURES!

Glide down a wall or zoom through a wreck - **Wall Flying** with your own personal under scooter (DPV). Divers can rent a DPV for any of our normal 2-tank dives, adding a new experience to diving our amazing reefs. **Night Shark Diving!** That's right, experience our world famous shark adventure at night! Dives offered every Friday night. Lastly, our **Blue Hole Shark Experience!** This is a two-tank dive with the first into the world famous Nassau Blue Hole, then the second dive is a shark interaction experience on the rim of the Blue Hole. These are three truly exciting adventures only available at Stuart Cove's!

DIVING SCHEDULE

You will need to arrive at the dive shop 30 minutes prior to our dive departures. Our AM 2-tank Dive Trips depart at 9:00 am and returns at 12:00 pm. PM Dive Trips & Shark Dives depart at 1:00 pm and returns at 4:00 pm. Our buses offer complimentary transfers to and from all of the hotels and cruise ships on the island at the following times:

Paradise Island Resorts (Atlantis)	7:30am & 11:30am	Downtown & Cruise Ships	7:45am & 11:45am
Cable Beach Resorts (Meliá/Baha Mar)	8:00am & 12:00pm	Sandyport / Orange Hill	8:10am & 12:10pm

DIVER EXPERIENCE

At Stuart Cove's we welcome divers of all experience levels. In order to maximize the safety and enjoyment for divers participating in our programs, we ask that each diver present their certification card when checking in for the first day of diving. In most cases we operate separate novice and advance dive boats.

TRAINING PROGRAMS

At Stuart Cove's we love groups and instructors! Bring your students on a group trip to complete their certification. If you

aren't scheduled for a group trip, send them to us, and we will help you complete your referrals, or other training. All training is held in our professional classroom facilities with students receiving personalized instruction from experienced PADI instructors that know

how to show your students a safe and enjoyable experience. Looking for a place to conduct open water check out dives for your students? Stuart Cove's Dive Bahamas is the perfect facility to send your students to complete their

OW dives. If you prefer bring your students, we can arrange for you to finish the training yourself. Contact our reservation staff about how we can help you and your students on your next Bahamas dive trip!

THE SHARK ADVENTURE™

This experience could quite possibly be the most exciting two dives you will ever do. Stuart Cove's **Shark Adventure™** is a 2-tank dive program, which introduces thrill-seeking divers to wild sharks, and provides you a close up look at these magnificent and misunderstood creatures.

There are currently four sites where we dive with the sharks. You will dive either the combination of “*Shark Wall*” and “*The Arena*” or the combination of “*Shark Runway*” and “*The Runway*”. At either location you will encounter a gathering of Caribbean Reef Sharks on a consistent basis.

Your first dive is a “Free Swim” with the sharks on a magnificent wall. The sharks will follow you throughout the dive because we are close to our feeding site and they know the dinner bell will ring soon. However, no bait is introduced on this dive. This keeps the sharks curious and creates a very natural encounter for divers - just as you would encounter a shark in the wild.

Your second dive is a shark-feeding dive. Unlike ordinary dives - you will spend this dive kneeling on the sand bottom in a semi-circle of divers. Your professional shark feeder will place a bait box on the bottom within the semi-circle. Your feeder utilizes the bait box and a pole spear to control the release of food that influences the shark's behavior.

While novice shark divers may not notice it - during the shark feeding dives your feeder tries to keep the sharks in a “polite” feeding posture. However be warned - the sharks will come close - very close - but they are more interested in the bait than in you! \$182 pp departing at 1:00pm daily.

Note: We require that all divers wear a full body wetsuit (long sleeves & legs).

The staff at Fin Photo shoots digital video and/or digital pictures of each Shark Adventure™ so that you can document your courage while telling tales of your survival. (Additional fee involved.)

SHARK AWARENESS SPECIALTY COURSE

It's a well-known fact that the world's shark population is dwindling rapidly. This decline is due to the shark's one and only predator...man. Whether it is a lack of knowledge about shark behavior in general or over zealous fishermen, sharks are indeed in trouble. The “Dark Ages” of shark knowledge are now part of your past when you join **Stuart Cove's Shark Awareness Course**. The simple goal of this course is to introduce you to the shark. Through an academic program presented via video, you will learn how to identify different types of sharks, understand some of their behaviors, and learn why this animal is so important to the overall oceanic eco systems.

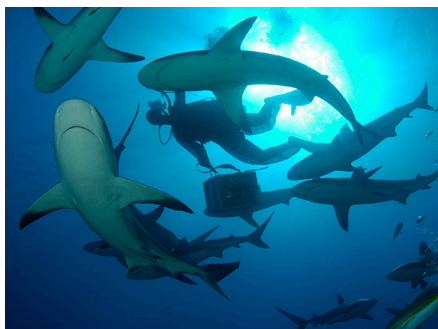

The course will also teach you proper behavior for diving with sharks and will finish with you completing two shark dives - a free swim with sharks and a shark feeding dive. Upon completion of the academic and open water sections, you will be awarded a specialty certification. Included in the course fee are the academic presentations, our 2-tank **Shark Adventure™**, certification fees, and certificate.

Shark Awareness Course: PADI

Includes self-directed online academic presentation taught by one of our instructors, dives, certification fees and certificate \$250.

SHARK FEEDER PROGRAM

Move beyond the passive observational shark dive into the middle of the action when you train to become a shark feeder yourself! Stuart Cove's Shark Feeder program takes you on a private, behind the scenes adventure that will allow you to participate in our normal Shark Adventure dives and then move on and learn how to be the feeder!
